*CT Pharma Research Celebrates 10th Anniversary with Launch of New Sister Company and New Focus on e-commerce*

[Türkiye, February 2, 2022] CT Pharma Research, a leading research and development company in the pharmaceutical, food supplement, and cosmeceutical fields, is proud to celebrate its 10th anniversary in 2022. Over the past decade, the company has established itself as a trusted partner in the health sector, working closely with physicians and other health professionals to develop innovative and effective custom-tailored solutions that meet the unique needs of its customers.

To mark this milestone, CT Pharma Research besides TFLL Pharma has launched another sister company: Planto Health.

TFLL Pharma Türkiye and TFLL Pharma Belgium will focus on sales and marketing activities for custom-tailored food supplements branded “Custom Supplements,” while Planto Health will focus on custom-tailored food supplements and cosmeceutical products branded “Planto,” with a particular focus on the e-commerce.

“At CT Pharma Research, we are committed to delivering innovative and customized solutions that make a real difference in people's lives,” said Şerhan Şimşek, PhD, co-founder and CEO of CT Pharma Research.

“Our 10th anniversary is a testament to our commitment to scientific rigor, sustainability, responsibility, experience, and a desire to achieve. We are excited to launch Planto Health and to continue our work in the health sector, providing the best possible outcomes for our customers.” said Chem Eng. Semra Aktaş Şimşek, co-founder and Scientific Division Director of CT Pharma Research.

With a focus on custom-tailored solutions and a commitment to scientific excellence, CT Pharma Research is well-positioned to continue its growth and success in the health sector.
